Tribal Member

Re: Tish Non Rental Housing Application

The Bear River Band of the Rohnerville Rancheria is reopening the waitlist for Tish Non Village Apartments for thirty (30) days with a set deadline of **September 6, 2021**. The Tish Non Village Apartments consist of sixteen (16) multifamily rental units funded by FY 2020 Indian Housing Block Grant (IHBG), IHBG Competitive Grant Funding for FY 2018; 2019, and Tribal Funds. If you are 18 years old or older by **September 6, 2021**, and in need of housing please submit a current HUD Rental Housing Application. You must have a current application (2021) to be considered. We require current applications from all Tribal families that would like to be considered in the rating/ranking described in our Bear River Band of the Rohnerville Rancheria Housing Policy. Be sure to include all forms of income shown on the list including all public assistance and Tribal per capita. These HUD housing does have income eligibility limitations but, if you apply, I'll provide a letter if you appear over income based on the estimated income you provide. Be aware that all applicants are also subject to the screening criteria in the Bear River Band of the Rohnerville Rancheria Housing Policy.

This is a tremendous opportunity – Please apply and encourage other Tribal members to submit applications as well.

If you have any questions email [housing@brb-nsn.gov](mailto:housing@brb-nsn.gov) or call 707-733-1900 option 1.

Respectfully,

*Charmin Bailey*
